SAVE THE DATE -

The ICHP Spring Meeting will be March 27-28, 2020 in East Peoria. Mark your calendars and plan on attending! Go to this link on the ICHP webpage for full information: https://www.ichpnet.org/events/spring_meeting/ Be sure to make hotel reservations now as room space is filling up!

LEGISLATIVE AND REGULATORY UPDATE-

In case you didn't read the last two month's Champion News Brief we are reminding you that both pharmacists and certified pharmacy technicians will need to complete 1 hour of CE credit on the prevention of sexual harassment for their March, 2019 license renewals and this will be the first time that certified pharmacy technicians will need to provide attestation that they have completed their 20 hours of CE during the last 24 months. Make sure your staff is aware!

As for other legislative and regulatory news, the spring session of the Illinois General Assembly is finally rolling along with one full week in the bank and many more to go. Rules are being drafted on the details of recording meal and rest breaks for all (yes even administrators) pharmacists and the new maximum shift length requirement. As soon as those draft rules have been published in the Illinois Register, we will let you know so you can review and comment on them. ICHP will be providing comments and would appreciate any suggestions you may make to the Department yourselves. And the more comments they get, the better the chance that the resulting rules are reasonable. Watch your e-mails and ask your colleagues and or IT departments to whitelist www.ichpnet.org!
