

Today, we are following up with official instructions from the Illinois Department of Financial and Professional Regulation (IDFPR) for applicants who plan to complete the ILPRO in place of the MPJE.

IDFPR

Online Renewal & Instructions

- [Online Renewal Instructions](#)
- [Click Here to Start Your Online Renewal!](#)
- Please allow 2-4 business days for your license to post in our systems and your license status to update.
- **NOTE:** If an applicant misses the renewal window and the online portal does not allow you to renew after it concludes, you must reinstate their license by [requesting a Reinstatement application from IDFPR](#).

Notices

Applicants who intend on completing the ILPRO instead of the MPJE should contact Continental Testing Services (CTS) at pharmacy@continentaltesting.net. Please provide your full name, last 4 digits of your SSN, your date of birth, and the following statement: I would like to waive the IL MPJE exam.

Please note that this is an unresponsive email, but CTS will be keeping track of this waiver email to help facilitate the exam-licensing process when NAPLEX scores for each applicant are forwarded to IDFPR.

ICHIP will continue to keep you updated as new information becomes available.
