IPhA email: “Are you interested in adding a PA credential?”
Article: *Credentials for a PharmD graduate: The voyage never ends* by Mohammed Saji Salahudeen and Prasad S Nishtala

Points that were brought up:

 - May clinicians are not aware of the pharmacists' credentials nor are they aware of what a pharmacist can do

- There's a need to educate other healthcare professionals about the roles of the pharmacist and what certain credentials mean.
- Having additional training and credentials may be favorably looked upon by potential employees, especially in hiring the most qualified candidate
- In terms of recertification:
 - CEs are helpful to keep pharmacist up to date.

6. Project Groups

- a) Ambulatory Care CE for ICHP
- b) Ambulatory Care in IL demographics
- c) IDPH CDC Grant Survey update
