The Department is aware of the FDA's decision to allow temporary importation of non-FDA approved CISplatin manufactured by Qilu Pharmaceutical Co. due to the extreme shortage.

During this temporary period the identified product will be distributed by Apotex Corp.

A Dear Healthcare Professional letter identifying the CISplatin products, along with additional information, can be found at: <https://www.fda.gov/media/169001/download>

The Department has determined that this shortage constitutes a medical emergency and in accordance with the actions by the FDA, non-FDA approved CISplatin can be distributed into and within Illinois.

Sincerely,
